Rev. PETER C. YORKE

Editor of the San Francisco Leader and pastor of St. Anthony's church Oakland, who will lecture in Tonopah, Tuesday evening, April 1, on "Socialism and the State."

The man or woman who has the slightest doubt of the oratorical ability of Father Yorke and who therefore is not acquainted with his magnetic qualities, should read the reply of the San Francisco Examiner to an inquirer who asked the simple question, "Who is Father Yorke?" Considering the somewhat inimical attitude of the Examiner towards the priest in question the answer was all the more convincing of the greatness and force of the priestly Demosthenes.

"Father Yorke is the only lecturer of the pulp or the stump who can fill the 12,000 seats of the Metropolitan hall at a dollar a head by simply announcing the fact that he will speak."

That's all the Examiner had to say about a foe who had proved worthy of the hostility of that paper which was not above telling the truth when it came to informing the public of the prowess of Father Yorke on the platform. He will appear in Tonopah at the Nevada theatre Tuesday night, April 1, and appear on "Socialism and the State." No reservations will be made as there are but two prices of admission, one for the ground floor and the other for the gallery and it will be a case of first come first served in the matter of seating accommodation.

START SURVEY FOR TOWNSITE AT REPUBLIC

Republic, the new discovery north of Tonopah, is to have a townsit. A party of engineers having departed this morning for the camp to make the survey. C. S. Wilkes will do the surveying and is expected to have the new town mapped and platted within the next few weeks.

W. H. Fletcher, one of the principal owners of the new district, who came in Saturday afternoon from the district, accompanied Wilkes this morning, as did E. E. Bertram, who also has interests in the district. The rapid increase in population in the district made it necessary to secure a townsit for the new town might be laid out in a practical manner.

It is understood that the town will be located on property owned by Thomas Kearns, W. H. Fletcher, L. D. Jackson and John Gallagher.

VOLUNTEERS TO ACT AS HOSTS AT BALL TONIGHT

CIVILIAN FIRE FIGHTERS RAISING FUNDS TO PAY OFF INDEBTEDNESS

Tonight the dance lovers of Tonopah will make merry at the expense of the members of the Tonopah volunteer fire department. The grand ball, for which arrangements have been under way for the past month, will be given at the Miners' Exchange hall, and indications point to a record breaking crowd being present.

The volunteers' organization is in debt at the present time and the ball has been arranged for the purpose of procuring funds with which to liquidate the indebtedness. Tickets have been on sale for several weeks and a good demand has been noted for the pastebonds. The best of music has been procured and every endeavor will be made to furnish an evening of pleasure.

AFTER WESTERFIELD ESTATE

W. E. Pruett, who was appointed administrator of the estate of the late W. J. Westerfield, at one time state senator from Lyon county, has brought action in the district court of Washoe county against Daisy B. Westerfield, a niece of the second Mrs. Westerfield, to whom the late Mr. Westerfield bequeathed practically all of his property. The action charges that the deeds to the property were secured by fraud and undue influence on the part of Miss Westerfield.

NEW GAMBLING BILL IS SIGNED BY GOVERNOR

MEASURE MAKES GAMBLING A MISDEMEANOR INSTEAD OF FELONY AS HERETOFORE

Governor Oddie late Saturday signed the new gambling bill which was passed by the legislature shortly before the final adjournment was taken. The new law goes into effect immediately. Although no official interpretation has been made concerning the measure, it apparently will permit the playing of poker. However, no percentage can be taken from the game. Slot machines are permitted to be run but no play back is allowed. In speaking of the measure Governor Oddie had the following to say:

"This act leaves the old law unchanged with respect to making it a felony to conduct any percentage game or have in possession any gambling paraphernalia. It corrects the loopholes of the existing law which have permitted gambling with cards in all games except poker by making it a misdemeanor to gamble in any form whatever. Gambling in the new act is clearly defined and the law has put a final end to gambling in this state."

The prize fight bill, repealing the old act regarding finish fights and providing a license for 10-round bouts, was also signed by the governor late Saturday afternoon.

Express makes daily trips from Tonopah to Manhattan and Round Mountain. Cars leave Tonopah daily on arrival of mail and leave Manhattan at 2:30 p. m.
